## Sermon: "Tilted Towards Tragedy!"

### STUDY NOTES:

"If you pitch your tent towards Sodom, then you are tilted for tragedy" – Dr. Bailey Smith

### **FIVE WAYS TO KNOW THAT WE ARE TILTED TOWARDS TRAGEDY**

- i. A Casualness about Sin – (Proverbs 14:9)
- ii. A Contempt for Saints –
- iii. A Complacency for Scripture –
- iv. A Comfortableness with Self –
- v. A Coasting in Service -

### Reflections Questions:

1. Do you believe in a progression of sin (James 1:15)
2. What kind of casualness do you see embraced in today's society? How do you think God feels about this sin?
3. Is it acceptable to miss church occasionally for no real reason? Do you think God would agree with you?
4. How often do you think Bible reading should take place?
5. Do you believe that you can stand before God and say that you have served the Lord the way that God wants you to?
6. Is there anything in your life that has tilted your life towards Sodom?
